School Improvement Plan Core Priorities 2024-2025

What are we focused on?

1. Safeguarding

To ensure a robust Safeguarding culture within governance, senior leadership and all staff, developing leadership in pupils.

2. Attendance

To promote attendance above 96% for all pupils. With an ambition of 98% for the majority of pupils.

3. Quality of Education

To develop staff subject knowledge across the curriculum to identify gaps in pupils' knowledge, whilst mitigating barriers to learning, so that all children build on outcomes in all subject's/year groups, especially the most vulnerable.

4. Curriculum

Make adaptations to the school's curriculum to ensure its implementation enables all pupils to make progress and achieve their full potential, within an inclusive environment.

4b. More children make at least good progress from their starting points in writing and the percentage of children meeting 'Age Related Expectations' for all year groups increases.

5. Governance

Governance to be effective through robust strategic and financial planning, succession planning and holding school leadership to account.
