## Home-School Agreement 2026-2028

This agreement outlines the shared responsibilities of the school, families and pupils, and reflects our school values and expectations. We kindly ask that you **take time to read through the updated agreement and discuss it with your child(ren)** so that everyone is clear about what is expected.

**By my child attending Redbourn Primary School, we agree to all of the listed expectations.**

Once you have read and discussed the agreement, please log into your **Arbor Parent App** and indicate that you have **read and agree to the Home-School Agreement**. This agreement to adhere with the expectations, will remain on your child's record throughout their duration at this school.

Thank you for your continued support and cooperation in working together to provide the best possible experience for our pupils.

**On behalf of Redbourn Primary School I agree to the following School expectations.**
