Year Five Autumn Term 2025

Welcome to Year 5

Welcome to a galaxy far, far away where Year 5 will be learning creatively about journeys into space as well as learning about pivotal events in our history. We have lots of exciting topics planned that the children are already engaging with. We have had a great start to the year so far and the children have settled in well to their new classroom. We are really looking forward to working with you all in Year 5.
May the force be with you!

Reading

At Redbourn Primary we focus on regularly hearing children read- through English and reading response lessons, as well as individual reading at least once a month.

Please also continue to help your children to remember to bring their banded reading book and reading record into school every day, as they may have opportunities to read to additional adults if appropriate. Children can change their reading book once it has been finished.

When reading at home, you could ask your child to:

- identify how language, structure and presentation contribute to meaning
- discuss and evaluate how authors use language, including figurative language, considering the impact on the reader

Home Learning

- No more than 90 minutes a week should be spent on Home Learning tasks, plus daily reading.
- Logins can be found in your child's Reading Record.
- Hear your child read- ideally 10 minutes daily
- Encourage reading of other books
- At least weekly access on Reading Eggs
- X 3 per week Times Tables Rock Stars
- Weekly spellings - linked to spelling sessions and the Y5/6 Common Exception Words.
- Task from White Rose Maths Practice Journal.

Maths and spellings will be set on a Friday, to be returned by Wednesday.
