Year One

Spring Term 2026

We are so proud of how confidently the children have settled into Year One. The autumn term flew by, and their enthusiasm for learning shone through during the toys workshop and our visits to Woodlands. We hope you enjoyed watching them sing and dance at the Christmas Sparkle.

This term brings plenty to look forward to. We'll be making the most of our school grounds to support and enrich our learning, and we are especially excited about our upcoming trip to Hertfordshire Zoo towards the end of term.

We will also begin sending home weekly spellings for the children to practise. You'll find some fun and engaging ideas to help them learn these at home.

A gentle reminder that, where possible, conversations shouldn't take place at the classroom door. If you would like to speak with us, please arrange a meeting after school or contact the office to find a convenient time.

Reading and Home Learning

2026 is the National Year of Reading. This is a UK-wide campaign led by the Department for Education and delivered with the National Literacy Trust. Its goal is simple but powerful: to help children, young people, and adults rediscover the joy of reading.

Some books to share at home:

Bear vs Dragon by Marcela Ferreira and Marc Chambers, Splash Day by Nick Sharratt, Thunderboots by Naomi Jones & Rebecca Ashdown, The Pandas Who Promised by Jim Field & Rachel Bright

Please share books and hear your child read every day. They will continue to bring home the White Rose Maths Practice Journal most weeks. We are also going to start sending home spellings to practise at home. Reading Eggs and NumBots should also be accessed at least weekly.

No more than 35 minutes should be spent on these tasks altogether.
