FOOTBALL

Our Football Club introduces children to the fundamental skills of football in a fun and engaging way.

This club helps develop key skills such as ball control, dribbling, passing, defending, shooting, movement, goalkeeping, and basic tactics.

Each session is filled with enjoyable drills that focus on building these skills, followed by small-sided games where children can put what they've learned into action in a friendly, supportive environment.

Sessions are held outdoors, unless there is heavy rain, ensuring that children get fresh air and enjoy the outdoors while practicing their football skills.

Y3-6 Mondays - 3.20 - 4.30pm

Y1-2 Tuesdays - 3.15 - 4.30pm
